Gift Wrapping Tips

You can mix or match paper and ribbon or use just one color. If you want to mix, here are some suggestions for pleasing results.

Paper	*Ribbon, Bow and Other Accents*
Black	White–Gold–Brown–Chartreuse–Pink
White	Black–Turquoise–Violet–Pink–Chartreuse
Red	White–Light Pink–Orange–Gold
Violet	White–Hot Pink–Avocado
Yellow	Avocado–Orange–Brown–Violet
Blue	Violet–Turquoise–Rose–Avocado
Light Pink	Hot Pink–Violet–White–Rose
Hot Pink	Red–Orange–Rose–White
Orange	Yellow–Brown–Avocado–Black
Avocado	Chartreuse–Gold–Yellow–Orange
Turquoise	White–Yellow–Chartreuse–Avocado
Ochre	Brown–Black–Avocado–Red

If your gifts are going to be mailed, you might want to use cord ribbon which will stand up better in the mail. If your package has a big bow on it, protect the bow with a collar of cardboard or an inverted box lid.

the American way!

When there are so many extra things you'll want to do this season—dress up the house for the holidays, make airline reservations for a trip home, shop for gifts and decorations—that the list, and the expenses, seem endless, manage them all . . . the American way.

The American way makes sure that you have the extra money you need *now*, when you need it most, so you won't miss out on the things you enjoy. It makes sure by making money available to you through a Line-O-Credit Account.

In American's Line-O-Credit Account, *you decide the amount* you want. You may use part, or all, of the full amount whenever you need it—whatever your need. *You select* the repayment schedule most convenient for you. *And*, you can borrow from it again and again as long as your loan balance is lower than the Line-O-Credit limit you have set. It *costs you nothing* to open your account and you only pay for the amount you borrow.

To open your account, figure your needs on the attached cash request and mail it in. Or, if you're in a big hurry, bring it to our office tomorrow. You'll get more out of life . . . the American Way!

Get more out of the holidays and more out of life...the American way!

If you'd like to find out how to make more attractive packages to put under the tree, look at the enclosed folder. And, if you want to find the best way to pay all the bills you expect this season...look into the American way!

With the American way, you have your own Line-O-Credit Account that you can call on whenever you need extra cash.

More than that, it costs you nothing to open a Line-O-Credit Account! You only pay for the amount you actually borrow, and you even select the payment plan that is most convenient for you. And, as long as your loan balance is below your Line-O-Credit limit, you can arrange for more money!

That way, you can get cash any time you need it -- for seasonal expenses like your holiday shopping or to clean up your old bills before the holiday.

If you could use some extra cash right now, you can open your Line-O-Credit Account at American by figuring your needs on the attached cash request, completing the form and mailing it in. Or, if you prefer, you can bring it in to the office and get immediate service. Either way, you, too, will get more out of life...the American way.

Sincerely,
